

## EXHIBIT "C"

### Initial Use Restrictions and Rules

The following restrictions shall apply to all of the Properties until such time as they are amended, modified, repealed or limited by rules of the Association adopted pursuant to Article X of the Declaration.

1. General. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, an information center and/or a sales office for any real estate broker retained by the Declarant to assist in the sale of property described on Exhibits "A" or "B," offices for any property manager retained by the Association or business offices for the Declarant or the Association) consistent with this Declaration and any Supplemental Declaration.

2. Restricted Activities. The following activities are prohibited within the Properties unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board of Directors:

(a) Parking of any vehicles on streets or thoroughfares within the Properties, or parking of commercial vehicles or equipment, mobile homes, recreational vehicles, boats and other watercraft, trailers, stored vehicles or inoperable vehicles in places other than enclosed garages; provided, construction, service and delivery vehicles shall be exempt from this provision during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Unit or the Common Areas, and guests may park vehicles on the street for limited periods of time subject to such rules as the Board may adopt;

(b) Raising, breeding or keeping of animals, livestock, or poultry of any kind, except that a reasonable number of dogs, cats, or other usual and common household pets may be permitted in a Unit; however, those pets which are permitted to roam free, or, in the sole discretion of the Board, make objectionable noise, endanger the health or safety of, or constitute a nuisance or inconvenience to the occupants of other Units shall be removed upon request of the Board. If the pet owner fails to honor such request, the Board may remove the pet. Dogs shall be kept on a leash or otherwise confined in a manner acceptable to the Board whenever outside the dwelling. Pets shall be registered, licensed and inoculated as required by law;

(c) Any activity which emits foul or obnoxious odors outside the Unit or creates noise or other conditions which tend to disturb the peace or threaten the safety of the occupants of other Units;

(d) Any activity which violates local, state or federal laws or regulations; however, the Board shall have no obligation to take enforcement action in the event of a violation;

(e) Pursuit of hobbies or other activities which tend to cause an unclean, unhealthy or untidy condition to exist outside of enclosed structures on the Unit;

(f) Any noxious or offensive activity which in the reasonable determination of the Board tends to cause embarrassment, discomfort, annoyance, or nuisance to persons using the Common Area or to the occupants of other Units;

(g) Outside burning of trash, leaves, debris or other materials, except during the normal course of constructing a dwelling on a Unit;

(h) Use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to occupants of other Units, except alarm devices used exclusively for security purposes;

(i) Use and discharge of firecrackers and other fireworks;

(j) Dumping of grass clippings, leaves or other debris, petroleum products, fertilizers, or other potentially hazardous or toxic substances in any drainage ditch, stream, pond, or lake, or elsewhere within the Properties, except that fertilizers may be applied to landscaping on Units provided care is taken to minimize runoff, and Declarant and Builders may dump and bury rocks, trees and stumps removed from a building site in such areas as may be designated on recorded plats of the Properties;

(k) Accumulation of rubbish, trash, or garbage except between regular garbage pick ups, and then only in approved containers; provided, recycling activities shall be permitted so long as the recyclable materials are collected in approved containers or otherwise out of sight of neighboring property and are not allowed to create a condition which violates any other provision of these Initial Use Restrictions and Rules;

(l) Obstruction or rechanneling of drainage flows after location and installation of drainage swales, storm sewers, or storm drains, except that the Declarant and the Association shall have such right; provided, the exercise of such right shall not materially diminish the value of or unreasonably interfere with the use of any Unit without the Owner's consent;

(m) Subdivision of a Unit into two or more Units, or changing the boundary lines of any Unit after a subdivision plat including such Unit has been approved and filed in the Public Records, except that the Declarant and its designees shall be permitted to subdivide or replat Units which they own without Board approval;

(n) Use of any Unit for operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years;

(o) Discharge of firearms; provided, the Board shall have no obligation to take action to prevent or stop such discharge;

(p) Any business, trade, garage sale, moving sale, rummage sale, or similar activity, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Unit; (ii) the business activity conforms to

all zoning requirements for the Properties; (iii) the business activity does not involve regular visitation of the Unit by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Properties; and (iv) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required.

The leasing of a Unit shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by the Declarant or a Builder approved by the Declarant with respect to its development and sale of the Properties or its use of any Units which it owns within the Properties.

(q) Conversion of any carport or garage to finished space for use as an apartment or other integral part of the living area on any Unit without the prior approval of the appropriate committee pursuant to Article IX; or

(r) Any construction, erection, or placement of any thing, permanently or temporarily, on the outside portions of the Unit, whether such portion is improved or unimproved, except in strict compliance with the provisions of Article IX of the Declaration. This shall include, without limitation, signs, basketball hoops, swing sets and similar sports and play equipment; clotheslines; garbage cans; woodpiles; antennas, satellite dishes, or other apparatus for the transmission or reception of television, radio, satellite, or other signals of any kind; and hedges, walls, dog runs, animal pens, or fences of any kind.

3. Prohibited Conditions. The following shall be prohibited within the Properties:

(a) Plants, animals, devices or other things of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties;

(b) Structures, equipment or other items on the exterior portions of a Unit which have become rusty, dilapidated or otherwise fallen into disrepair;

(c) Above-ground swimming pools; and

(d) Chain-link fences.

4. Leasing of Units. "Leasing," for purposes of this paragraph, is defined as regular, exclusive occupancy of a Unit by any person, other than the Owner for which the Owner receives any consideration or benefit, including, but not limited to, a fee, service, gratuity, or emolument. All leases shall be in writing. Leases shall have a minimum initial term of not less than six months. Notice of any lease, together with such additional information as may be required by the Board, shall be given to the Board or its designee by the Unit Owner within 10 days of execution of the lease. The Owner must make available to the lessee copies of the Declaration, By-Laws, and the Use Restrictions and Rules.
